

Coronavirus Impacted Activity Update

Oct 12th 2020

In light of the recent changes in the Governor's relaxing of some of the social distancing restrictions, MWSA will be resuming shotgun events, Trap, Skeet, and 5-Stand starting this Saturday, June 13.

- 1) Volunteers have been scheduled for the next month for Trap, Skeet & 5 Stand
- 2) Shooting can include non-members
- 3) "Social Distancing" similar to outside table/deck service at restaurant. Shooters will be encouraged to wear masks but not required. (Noted we are not requiring masks at the OR.)
- 4) Club has provided hand sanitizer, gloves, and masks for those who want them.
- 5) Payment: punch cards recommended. However, will take exact change or check.
- 6) Event Coordinator will handle sign up, squading, and payment. A table will be set up outside of the Shotgun Shack for this purpose.
- 7) No one should be in the Shotgun Shack except to get the range equipment and returning it at the end of the event.
- 8) Anyone who is not comfortable with these procedures should remain at home and not participate.
- 9) Noting for Information:
 - a. Skeet Pads are 30 feet apart
 - b. Trap stations are 10 feet apart
 - c. 5 Stand stations have been moved to be 6 feet apart

The MWSA Board of directors will provide additional updated on the following events soon:

Monthly Member Meetings

- New member swearing in will be coordinated after applications are approved by the BoD.
- New Member Range Qualification will be coordinated with new member swearing in

Affiliated Club Meetings hosted at the Club

4H
Venture Crew
Archery

Indoor Range Events

Thursday night Open Shoots will resume on Oct 1, 2020
Smallbore Rifle
Bullseye
Action Shooters Group

The Outdoor Ranges at Major Waldron Sportsmen's Association (MWSA) are still open for now. The Indoor Range is still open for members who have been qualified on its use and have their own key code.

The Board of Directors (BoD) would like to remind members using the ranges to be aware of other's potential concerns and practice social distancing as you are seeing advocated elsewhere in the news.

The Board will monitor the ongoing COVID-19 situation and further announcements will be made as necessary if situations change.

The Board hopes that all our Members are safe and healthy, and are following the Governor's stay-at-home order, including maintaining strict social-distancing for those times when you do need to be outside.

For potential new members looking to join MWSA, we are acceptance of new members.

The BoD has updated the membership application and process for 2021. New members will receive instructions once their applicaton is reviewed and accepted by the BoD.

Facebook

For those of you not aware, the Club does maintain a Facebook page, and will be trying to post updates there as well, as an additional method of communication with the general shooting public.

Board of Directors' Meetings

At this time the BoD meetings will still be occurring in order for the Club to continue to conduct business. However, we are still working out the format these future meetings will take. To be clear, the Board is doing its best to take everyone's health concerns into consideration, follow the current By-Laws on conducting meetings, and leverage new technology available to us. Stay tuned for more information on this subject as it becomes available. In the meantime, if any member has any question about what business is being conducted at the Club please feel free to reach out to a Board Member.
